UMOJA TRAINING

2-3 hours

Umoja, meaning "We are One" in Swahili, sets the stage for this transformative challenge. Teams will engage in outcome-driven activities that blend organizational values, culture, and vision. Focused on achieving targets, participants will collaborate to reach milestones, demonstrating unity, synergy, and a shared commitment to excellence. The Umoja challenge fosters teamwork, success, and harmony.

10-300PAX

CHAIN REACTION

This challenge is a reflection of the work-flow processes aimed at achieving the desired company goals. It all starts with one moving piece, and all the aligned pieces will build the momentum required to produce the projected outcome. It's all about developing a cutting-edge system. The objective is to construct a successful network system that promotes the movement of aligned pieces, with the goal of producing a domino effect.
